

PRETTY LITTLE NAILS

INSTRUCTIONS:

1. purchase water-slide decal paper (this can be found online!)
2. cut a sheet of decal paper into postcard size (around 5"x7")
3. print attached designs onto a postcard size sheet (make sure select postcard size in your print settings)
4. once printed, remove film from paper
5. cut out each design you want to use
6. paint your nails desired color (light or neutral colors are recommended) & let them dry
7. once dry, place one design at a time in a bowl of water for 10 to 20 seconds
8. take design out of water and stick on desired nail
9. make sure to remove any air bubbles under decal
10. blow dry nail
11. apply clear top coat
12. repeat steps 6 through 10 for the rest of your nails!
